Item	Feature	Description	Priority	URL	Screenshot	MT Notes	Status
1	Adv/Nav Footer	Adjust nav menu spacing so that it matches Legacy. The new ad pages have are just a few pixels wider between Home and nav menus than the legacy site. Sub issues: 1. Desktop - Sub nav items are not equally spaced 2. Desktop - "Need help?" phone number is formatted differently - which causes some jumping around	3 - Medium Importance	https://help!forbizsb http://yuenvision.cor	http://p.tri.be/95I6Oy Mobile video: https://drive.google.com/	[aimee] ticket submitted for points 1&5: https://central.tri.be/issues/135832 - Updated items 2,3,4 manually from Admin dashboard and asked Tali to confirm [vinny] Items 1 and 5 are the same as Aimee's note.	In Progress
2	Adv/Nav Footer	Add spacing between the gallery images if possible to match the comps	3 - Medium Importance	https://help!forbizsb	http://p.tri.be/uI3qtH	[aimee] ticket submitted	In Progress
3	Adv/Nav Footer	Secondary page has some mobile Panel wrapper padding issues. This is an Image text example in the 2nd position	3 - Medium Importance	https://help!forbizsb	http://p.tri.be/kAwxcG	[aimee] ticket submitted	In Progress
4	Landing Pages	Header logo looks pixelated, can we swap for a higher resolution image?	1 - Critical	https://help!forbizsb	screenshot here: https:/	[aimee] Asking Vinny to advise - I believe we are using what was provided. Do we have a higher res logo available to us? [vinny] This is the same logo from biz.help!.com. I'm not seeing any pixelation on my side. Can you provide a screenshot? [kat] screenshot provided, MT to investigate	Need additional info
5	Adv/Nav Footer	Change blue button in "Reach more customers..." module to red	1 - Critical	https://help!forbizsb		[aimee] Non-issue: admin has control over this one. Go to Image text panel on the admin side, clck to change button color here http://p.tri.be/qjxJsr	Yes
6	Adv/Nav Footer	Text boxes are too narrow on "Reach more customers.." module. In comparison to biz.help! home the width appears to be 411px vs 335px on Advertise page.	2 - High Importance	https://help!forbizsb	https://drive.google.com/	[aimee] Asking Vinny to advise on sizing [vinny] Non-issue. You can cahnge this panel to use copy heavy instead of copy light to give it more width in the content side.	Yes
7	Adv/Nav Footer	Remove red bars/background? from "Boost clicks,...."	1 - Critical	https://help!forbizsb	https://drive.google.com/	[aimee] Non-issue: admin has control over this one. Go to Image text panel on the admin side, click background color control here (it's kind of hard to see the white option, but it's there): http://p.tri.be/ZptpxR	Yes
8	Adv/Nav Footer	"Advertise on your own terms" headerline is too small - currently 21px should match other headers at 30px	1 - Critical	https://help!forbizsb	https://drive.google.com/	[aimee] Asking Vinny to advise on sizing [vinny] Looks like we need to tweak the classes applied here on this panel. Should be pretty quick [aimee] ticket submitted	Yes
9	Adv/Nav Footer	"How Mr. Roofing grows with help! Ads" should be header size, too small.	2 - High Importance	https://help!forbizsb		[aimee] Asking Vinny to advise on sizing [vinny] Same issue as above (including this with the previous estimate)	Yes
10	Adv/Nav Footer	"Need a hand?..." section has too much spacing and number is very low down. Should mimic mock	2 - High Importance	https://help!forbizsb	https://drive.google.com/	[aimee] Non-issue: admin has control over this one but Vinny advised you will have to come up with the correct size icon that matches your comp. For the demo we worked with the png files we had access to. Play around with it a bit once you have the correct icon and let us know how it works.	Yes
11	Adv/Nav Footer	Phone number should be clickable, not an image in "Need a hand..." section	3 - Medium Importance	https://help!forbizsb		[aimee] Non-issue: admin has control over this one. Go to editor, insert image or icon you want to hyperlink, and then highlight, click to hyperlink and insert URL	Yes
12	Adv/Nav Footer	"Owner" should also be bold under testimonial quote, not just the name	4 - Low Importance	https://help!forbizsb	https://drive.google.com/	[aimee] Non-issue: admin has control over this one. Go to editor, highlight word to bold and then click to bold	Yes
13	Adv/Nav Footer	Section 'sub-heads' (example: "Create your ad") in 3 column layout should be bold like in design file so they are differentiated from the body copy	3 - Medium Importance	https://help!forbizsb	https://drive.google.com/	[aimee] Asking Vinny to advise on sizing [vinny] I see what you mean there. Easy tweak again.	Yes
